RESEARCH INTERESTS

Urban Sociology, Criminology, Demography, Inequality.
Specifically, my research focuses on the social processes that shape neighborhood change and territorial reputation, and their influence on local crime patterns.

EDUCATION

Washington University in St. Louis Ph.D., Sociology	2026-
Louisiana State University M.A., Sociology	2025
Cornell University M.L.A., Landscape Architecture	2023
University B.Eng., Landscape Architecture	2021
